

CartonMate® Bleached Board

Reliability. It's that simple.®

Qualities:

- Smooth, bright appearance for excellent printability
- Consistent roll-to-roll quality
- FDA-compliant for contact with most dry, fatty and aqueous foods
- Available with polyethylene coating for increased barrier properties

Environmental attributes of RockTenn Bleached Board:

- SFI® Certified Participant
- Produced relying heavily on carbon-neutral biomass fuels as an energy source and ECF manufacturing techniques
- Bleached Board is recyclable* and derived from trees – a growing and renewable resource

*Packaging may not be recyclable in your area.

Typical Properties
