

CartonMate® Canister Bleached Board

Reliability. It's that simple.®

Qualities:

- Smooth, bright appearance for excellent printability
- Performs well in rim curling and other forming testing
- Consistent roll-to-roll quality
- FDA-compliant for contact with most dry, fatty and aqueous foods

Environmental attributes of RockTenn Bleached Board:

- SFI® Certified Participant
- Produced relying heavily on carbon-neutral biomass fuels as an energy source and ECF manufacturing techniques
- Bleached Board is recyclable* and derived from trees – a growing and renewable resource

*Packaging may not be recyclable in your area.

Typical Properties

Caliper	.018	.020	.021	.022	.024
